NAVAH

THANK YOU!

As we complete our 5th year of FaithFund, we have been so blessed to give gifts to a variety of people, organizations, and initiatives that we know and trust to do great work for the glory of God. All of our gifts pooled together create a multiplying impact that reaches well beyond what we could do individually. Through our collective generosity we sowed into the expansion of God's Kingdom, assisting in local missional activities, community ministries, national ministries and international missions. Together we asked God what to trust Him to provide, and that seed of faith has, in turn, mobilized God's people in remarkable ways.

Together we have given **\$41,500** over this year and **\$287,500** in the last 5 years.

Thank you for your obedience and generous giving.
